

LOOKBOOK SPRING/SUMMER 26

TU

Spring Summer 2026 at Tu sees soft femininity meet modernity and contemporary elegance. Discover standout style and quality, and with 80% of the new womenswear collection available at £25 or less, it's easy for shoppers to refresh their wardrobes for the months ahead. This collection also marks the introduction of 100% linen pieces, sitting alongside poplins, pastel denims, co-ords, pleated fabrics and stripes. Meanwhile, bubble hems, full skirts and checks celebrate a modern yet romantic aesthetic.

Denim anchors the range for spring, launching early in the season with dark washes, straight-leg fits and co-ord jackets for versatile styling. Value remains a key part of the denim offer, with 30% of styles under £20. The patch pocket flare jean is a standout silhouette, offering a subtle 70s-inspired nod for £25. Fresh injections of colour - from pink and green to soft yellow - bring newness to the palette and invite fresh ways to experiment, while core indigo and black washes continue to deliver the timeless favourites.

Colour plays a central role this season, with warm olive, vibrant blues and sumptuous chocolate tones sitting alongside frozen margarita, a bright citrus-inspired yellow-green that adds a zesty lift. These rich tones result in pairings that are as unexpected as they are opulent with the range of checks expanding by five times compared with 2025.

Standout co-ords in deep-sea purple and rusty orange allow for flexibility, pair up for a bold look or mix and match for a fresh take every time. Skirts continue to surge in popularity, increasing by 25% year on year to meet demand this spring summer.

In April, Tu debuts 21 new 100% linen styles, marking one of the season's key highlights. Pure linen trousers at £30, paired with the V-neck dress offer easy ways to embrace the trend for layering unexpected silhouettes. The collection celebrates linen's natural, breathable comfort and effortless style, reinforcing Tu's commitment to affordable, high-quality fabrications.

Accessories take a strong step forward for SS26, with chocolate brown as the hero colour of the season, coming through in laser-cut detailed bags, a straw-woven clutch, ballet pumps and a genuine suede loafer priced at £32. The neck-scarf range expands for spring and is now available in stripe, paisley and cow print, all at £8. Coloured trainers are a staple for the season, while a new caged jelly mule adds a playful touch and is perfectly suited to transitional weather.

The Spring Summer collection launches from January to May at tu.co.uk, argos.co.uk and selected Sainsbury's stores. Prices start at £7, with clothing in UK sizes 6-24 and shoes in sizes 3-8.
